Seattle, WA

SUMMARY

Founder and CEO of Amazon, Blue Origin, and The Washington Post. Proven track record of creating and leading successful companies and disrupting entire industries. Passionate about using technology to improve people's lives.

EXPERIENCE

Founder and CEO 1995 - 2021
Amazon Seattle, WA

Launched Amazon in 1995 as an online bookstore. Grew the company to become one of the largest retailers in the world, with a wide range of products and services.

- Led Amazon to become one of the most valuable companies in the world, with a market capitalization of over \$1 trillion.
- Expanded Amazon's product offerings to include everything from books and electronics to clothing and food.
- Launched Amazon Web Services, a cloud computing platform, in 2002. It has become one of the most popular cloud computing services in the world.
- Acquired Whole Foods Market in 2017, in an effort to expand Amazon's presence in the grocery market.
- Launched Amazon Prime, a subscription service that offers free shipping and other perks, in 2005.

Founder and CEO 2000 - 2021
Blue Origin Seattle, WA

Founded Blue Origin in 2000, with the goal of making space travel accessible to everyone. Developed new technologies and reusable rockets to make space travel more efficient and affordable.

- Launched first reusable spacecraft, New Shepard, in 2015, making it the first privately-funded vehicle to reach space.
- Successfully landed first stage of New Shepard multiple times, showcasing the potential for reusable rockets.
- Developed BE-4 rocket engine, which will be used by United Launch Alliance (ULA) for their next generation Vulcan rocket.
- Announced plans to send first passengers to space in 2018, and to send a spacecraft to the moon by 2024.

JB

🚀 Blue Origin

Advancing space travel and making it more accessible.

★ Washington Post

Using a platform to promote democracy and freedom of press.

EXPERIENCE

Owner

2013 - 2021

[The Washington Post](#)

Washington, D.C.

Acquired The Washington Post in 2013, with the goal of using the newspaper to promote democracy and freedom of the press.

- Invested in new technologies, such as artificial intelligence and automation, to improve the newspaper's online presence.
- Increased the newspaper's digital subscriber base by over 50% in the first two years after acquisition.
- Launched a number of new digital publications and features, including a daily political newsletter and a long-form storytelling platform.
- Won two Pulitzer Prizes in 2016, one for investigative reporting and one for commentary.
- Led the newspaper's coverage of the 2020 U.S. Presidential elections, which was widely praised for its depth and impartiality.

EDUCATION

Bachelor of Science

1986 - 1990
