Minneapolis, MN

## SUMMARY

Education Program Manager enthusiastic about helping young learners shape the future with knowledge and experience. Creating transparency within all education processes to ensure students' individual needs are met, while their results prosper. Helping teachers meet the highest standards in education by taking the time to understand their strengths.

## EXPERIENCE

### Education Program Manager

#### Streich

2015 - Ongoing Minneapolis, MN

Streich is the home of learning for 600+ middle school students.

- Adapted the nation-wide academic programs to better meet individual students' learning needs and capacities - this resulted in an annual increase of their SAT scores by 45%
- Installed various regulations to maintain the highest teaching standards among the 100+ staff
- Created both virtual and physical communication channels, where the school board, PTA, and parents could have more clarity and transparency regarding ongoing education processes and decisions

### Biology Teacher

#### Wyman

2014 - 2016 Lincoln, NE

Wyman is secondary education institute aiming for the stars.

- Prepared 200+ sixth grade students for their SATS, receiving an annual AVG of respectively 1800 and 2000
- Created an after school study group for 30 students to discuss global warming and think about future solutions
- Held one-on-one sessions with 60+ students to help them improve their scores and better understand the subject

### Program Coordinator

#### Lerner Group

2012 - 2014 Sarasota, FL

Lerner Group, a community center, helping K-8 students succeed.

- Created and tailored the program for 100+ students to meet their learning needs
- Weekly calls with parents to discuss their children's results and progress - this ensured a 15% increase in retention
- Coordinated with bus drivers to ensure 100% efficiency at pick-up and drop off of students
